

3-Point Holding Group is committed to minimising the environmental impacts of our operations and effectively managing our environmental risks.

We seek continuous improvement in our environmental performance and aim to meet or exceed stakeholder and community expectations.

We have set environmental objectives with the goal of:

- Controlling our environmental impacts and continuously improving our environmental performance,
- Reducing our carbon footprint and eliminating needless waste,
- Ensuring sustainable development and pollution minimisation,
- Providing employees with environmental training and setting clear accountabilities, and
- Complying with all relevant environmental laws, regulations, and standards that relate to our operations.

This policy has been implemented and communicated throughout 3-Point Holding Group and is made available to workers and other interested parties.

The relevance and appropriateness of this policy is assessed periodically.
